

cQHEI* AND LEVEL 2 MACROINVERTEBRATE FIELD TRAINING

July 5, 2018 9:30 am until 4:30 pm

Highbanks Metro Park, 9466 Columbus Pike
(US Rt 23 N), Lewis Center, OH

Join us for this lecture and field training opportunity sponsored by the Ohio Watershed Professionals Association (OWPA), a division of the Water Management Association of Ohio (WMAO).

Participants will learn to

- Use the cQHEI to evaluate stream health
- Sample macroinvertebrates using Level 2 methods
- How to identify macroinvertebrates to the family level

Trainers

Ed Rankin, Midwest Biodiversity Institute (MBI), Lead trainer in the Ohio Credible Data Program for Level 2 and 3 Qualified Data Collectors (QDC) for habitat evaluation

Martin Knapp, Midwest Biodiversity Institute (MBI), Level 2 and 3 QDC macroinvertebrate bioassessment trainer and lead macroinvertebrate taxonomist

No prior knowledge is required.**

[Click here](#) to register and pay the training fee (\$50 for members and \$60 for non-members). Lunch will be provided. Optional books on macroinvertebrates can be purchased with your registration and picked up at the event. The registration deadline is June 28.

For questions, please contact Laura Fay (lfay9785@columbus.rr.com) (614-614-580-2656) or Kurt Keljo (kkeljo@franklinswcd.org) (614-486-9613 (x. 121)).

* - Citizen's Qualitative Habitat Evaluation Index

** - The training will build on any knowledge the participant has coming into the workshop.
